

Shower Glass Squeegee

FEATURES

- Stylish square stainless steel handle in mirror finish
- Tough flexible silicone blade to clear away water drops
- Convenient silicone holder for easy storage

DIMENSIONS

Squeegee - 270mm(L) X 220mm(W) X 35mm(H)

Silicone hook - 50mm(L) X 41mm(W) X 90mm(H)

The Shower Glass Squeegee conveniently hangs directly on the side edge of the glass return panel, in the accompanying silicone holder, functioning as a hook.

Using a shower squeegee is the ideal solution to scraping away the grime left clinging to the shower glass, and is more effective than using a cloth or sponge. The Shower Glass Squeegee is a sanitary, quick & easy solution for daily cleaning of glass shower doors and returns, keeping your shower glass looking as good as the day it was installed.
